No. F. 20(1)-GA (P&T)/18 **Dated, Agartala, the 5th June, 2018.**

NOTIFICATION

Subject :- New Recruitment Policy for all establishments under administrative control of the Government of Tripura.

In supersession of all earlier instructions in connection with selection/recruitment of different categories of candidates by direct recruitment for government employment under the administrative control of Government of Tripura, the State Government has decided the following principles :-

1.1 Written test should be the primary means to test suitability of candidates for Government jobs. The test should be designed in such a manner that the required skills and competencies can be tested in an online mode. For such posts where special skills are required, separate proficiency/personality test may be taken in a transparent manner.

1.2 Interview should be completely abolished for Group-D posts, however soft skill test may be taken.

1.3 Interview should ordinarily, not be taken for B and C category of posts. However, only in exceptional circumstances, for certain categories of Group B and C posts, where justification is given by the Department concerned, provision for interview/skill test may be kept with prior approval of the Cabinet, Further, wherever such a provision is kept, the weightage for interview/skill test should not exceed 10% of total marks and the interview should be video-graphed.

1.4 The Group-A, Group-B and C posts which are at present covered by TPSC will continue to be filled as per the existing practice. However, weightage for the interview should not exceed 10% of total marks. In exceptional case weightage of interview may be increased beyond 10% with the approval of cabinet, if sufficient justification exists.

1.5 There are certain Group-A posts, which are at present outside the purview of TPSC. For the time being, this system may continue subject to the condition that the processes shall be made more fair, open and transparent. Adequate changes shall be made in the recruitment process/rules for these posts so that selection is done on the basis of written exam followed by interview with weightage of latter not being more than 10%. Further, review should be taken up by the concerned Departments to narrow down this category so that over a period of time, as far as practicable, all such posts are filled through recruitment conducted by TPSC.

1.6 Keeping in view the need to have a highly professional cadre at higher positions in the Government, recruitment for the left over (remaining Group-B) posts should also be taken up by TPSC.

1.7 The posts in Police, Fire Service and Jail Department which are currently outside the purview of TPSC should be filled by the respective Departments subject to the overall principles proposed at Para-1. 1, 1. 2 and 1. 3 above.

1.8 There is a need to revise the existing Recruitment Rules (RRs) such that there is proper mapping/correlation between the qualification, competencies and the job profile. Further, in such cases where there is similarity in the nature of jobs or jobs are common across various Departments, the RRs have to be suitably revised to bring in a greater degree of uniformity so as to facilitate common recruitment as far as practicable.

1.9 For the posts where there is intake by both direct recruitment and promotion, the intake ratio from each stream(direct and promotion) should, to the extent possible, be kept uniform across all the Departments.

1.10 The role of TPSC may be expanded and suitable manpower and resources may be placed at its disposal to enable it to ensure recruitment following the recruitment principles mentioned above.

1.11 A new institution may be set up which may take up the recruitments for all Group-B, C and D posts, excluding the posts covered in Para 1.4 above. This body may function within the broad principles proposed at Para 1. 1, 1. 2 and 1. 3. For this, further follow up action may be taken by GA(P&T) Department.

2. All the above recommendations will be applicable with the prospective effect only.

3. The Revised General Employment Guidelines for all Departments of the State Government for selection of candidates by open interview for Group-C and Group-D posts to be filled up by direct recruitment issued vide Memorandum No. F. 23(8)-GA(P&T)/14 dated 23rd July, 2016 is hereby repealed and replaced by this Notification.
